

MARSH TACKY CARBON X.T. OUTRIGGER INSTRUCTIONS

INSTALLATION:

YOUR OUTRIGGERS ARE SHIPPED WITH A COLOR CODED ADAPTER SLEEVE WHICH CORRESPONDS TO THE SPECIFIC MOUNTS ON YOUR BOAT. YOUR OUTRIGGERS ALSO COME PRE-DRILLED FOR THE PIN WHICH HOLDS THE OUTRIGGER IN ITS MOUNT. TO INSTALL YOUR OUTRIGGERS, SLIDE THE OUTRIGGER IN UNTIL THEY BOTTOM OUT ON THE LIP OF THE ADAPTER SLEEVE AS SHOWN IN THE PHOTO BELOW. ONCE YOU HAVE YOUR OUTRIGGERS INSTALLED IN YOUR MOUNTS, IT MAY BE NECESSARY TO ADJUST THE ORIENTATION OF YOUR ENTRY/EXITS. TO DO THIS, REMOVE THE SCREWS IN THE GROMMETS HOLDING THE SECTIONS TOGETHER AND TWIST THE SECTIONS UNTIL THE DESIRED HOLE IN THE BUSHING LINES UP WITH THE HOLE IN THE GROMMETS AND REINSTALL THE SCREWS.
